## Welcome by SitTogether!

Conference chairs should be designed in such a way that you can use them for any purpose in any venue. Whether it's a celebration or a mourning, and everything in between.

SitTogether proudly presents its brand-new collection of conference chairs. Varying from the robust Mirka series to the more open-minded Lynn chairs.

What is also new is our collaboration with Chairing, the expert in rock-solid chair linking systems.

This enables us to provide you with a complete offer, so you are guaranteed to find the conference chair that suits your situation perfectly. Whatever the event or venue.

# Mirka Expert

## The Mirka Expert

The newest version of the classic Mirka chair.

Besides a brand-new design, the Mirka Expert is equipped with a wider shell. It is stackable up to 20 chairs, thanks to the improved frame, without requiring a trolley.

3

Also available as a stackable armchair. Available with the Chairing Turn coupling.

## Mirka Expert chair

Chromed metal frame Ø20 mm.  
Oak veneer shell

Mirka Expert with classic shell

Mirka Expert

# The unique Chairing Turn coupling

4

What is it that makes the EN 14703 certified and patented Chairing Turn-coupling unique?  
The chair connector allows you to place rows of linked chairs in a curved shape, making it a perfect addition to the universal straight Chairing connector.

### Mirka Expert armchair

Chromed metal frame with dimension  $\varnothing 20$  mm.

Oak veneer shell with upholstered seat.

The perfectly stackable Mirka armchair.

The perfectly stackable Mirka armchair.

# Mirka Tondino Expert

## The Mirka Tondino Expert

This chair is characterised by its elegant sledge frame. Thanks to the narrow frame (Ø12 mm), you can place a large number of chairs in your venue. Also available as a stackable armchair and with the Chairing Turn coupling.

Chromed metal frame Ø12 mm.  
Oak veneer shell

### Mirka Tondino Expert armchair

Chromed metal frame Ø12 mm.  
Fully upholstered shell

# Mirka Nature Expert

## The Mirka Nature Expert

A classic chair with a modern twist. The chairs can be stacked as straight as an arrow and can be efficiently arranged in rows.

Ideally suited for restaurant, canteens and public areas.

## Lynn

A flagship collaboration between SitTogether and Chairing. An easy click chair connector, patented as well as EN 14703 certified, making it the fastest chair connector in the market.

Very compact stacking up to 50 chairs and linkable if required.

Lightweight design, so HSE-friendly too.

### Lynn chair

Chromed metal frame

15x15 mm and Ø12 mm.

Seat and back made of beech veneer
